- **Food and drinks** from your country for cultural nights

AN EXCHANGE IS NOT ABOUT...

- Business meetings of a youth organisation
- Holiday travel or tourist tour
- Language courses
- School exchanges (i.e. exchanges based on formal curricula)
- Study visits
- Performance tours
- Participation in a festival
- An activity which aims to make financial profit

YOUTH EXCHANGE IS...

educational exchange program dealing with non-formal education and informal learning, where young people from around the world live together in another country for some days, immerse themselves in the local community, and build bridges between cultures and countries. As these young people discover new worlds and make lasting friendships, they not only learn about main project topic, but also about another culture and a new language, they also gain perspective on the world and develop a stronger sense of self.

A Youth Exchange brings together groups of young people from two or more countries, providing them with an opportunity to meet, discuss, and confront various themes, while learning about each other's countries and cultures. The main aim is to encourage and promote the personal and social education of young people, reinforcing their feeling of being European citizens.

Youth Exchanges are intended to contribute to the personal development of the young participants. The exchanges are open to all European young people, regardless of their background, education, or socio-economic situation.

YOUTHPASS

Every participant is individually entitled to receive a Youthpass Certificate which confirms participation and validates the non-formal learning (NFL) experience of Youth Exchange project. Validating the learning experience of participants is important in itself and the document can be of benefit in terms of the educational or employment future of the participant. Through Youthpass the European Commission ensures the Youth Exchange activity is recognized as a non-formal learning experience. For more information on Youthpass you may wish to visit:
