1.4 – Assessment results

The assessment of a suitable personal preparation, on the basis of the documents submitted by the candidates, will be carried out by a joint international Examining Board, appointed by the School of Political Sciences, on the proposal of the partner Universities.

Admission to MIREES will depend on the positive assessment of the documents sent by all EU and non-EU candidates.

Candidates who do not fulfil the admission requirements, indicated at paragraph 1.2, will not be admitted to MIREES.

Assessment results will be expressed as a sum of the points obtained. The maximum score is 100 points and the minimum score to be accepted to MIREES is 60 out of 100.

Applications will be evaluated as follows:

- 1) academic curriculum (the marks/grades obtained for the Degree, together with the length of the degree, the number and relevance of obtained degrees, reference letters): up to 60 points;
- 2) relationship of the Degree to MIREES learning objectives and professional profile: up to 20 points;
- 3) the motivation letter included in the application form (quality of its content): up to 20 points.

In the case of the reserved number of positions for non-EU candidates residing abroad, the Examining Board will draw a final ranking and candidates with positive evaluation will be allowed to enrol, according to the final ranking, within the available positions.

In the case of candidates with equivalent score, the priority will be given to the candidate who obtained the highest score for the assessment of the academic curriculum. If, after this assessment, candidates will still have an equivalent score, the priority will be given to the youngest.

The President of the Examining Board will supervise and monitor the assessment process and will communicate to the applicants the results of the assessment of their personal preparation by e-mail:

by, and no later than May, 26th 2015, for the first evaluation session,

by, and no later than September 25th 2015, for the second evaluation session.

The **assessment results** will be posted, as the only legal representation, on the website [Studenti Online \(www.studenti.unibo.it\)](#) (accessible by using User ID and Password).

If the 45 available places reserved to **non EU candidates residing abroad** are not all covered by the deadline of September 1st 2015, there will follow a **clearing procedure** which will end **no later than October 19th 2015**. The president of the Examining Board will then proceed to admit the next candidates on the waiting list and inform them by e-mail of the deadlines for paying the first enrolment fee, according to the same procedure mentioned at par. 2.1.

SECOND PART ENROLMENT PROCEDURE
--

2.1 - First payment of the annual tuition fee and submission of the enrolment form

By September 1st 2015, for the first evaluation session,

By October 19th 2015, for the second evaluation session,

in order to complete the enrolment process, the admitted candidates shall:

- **Connect to [Studenti Online](http://www.studenti.unibo.it)** on the website www.studenti.unibo.it, by using the User ID and password received for the on-line application procedure.

- **Fill out on-line, print and sign the enrolment form,** containing personal data, information on the degree obtained or to be obtained and declaration that the applicant is aware of the penalties established by art. 496 of the Italian penal code regarding false declarations and its consequences, consisting in the automatic loss of the right to enrol and of any related benefits, as well as of the right to any reimbursement of the payments made.

For assistance with the on-line procedure, you can seek help at the contact points indicated on the website [Studenti Online](http://www.studenti.unibo.it) service.

- **Pay the first instalment or the whole amount of the annual tuition fee** (at present, the estimated amount of the annual tuition fee is € 4.368, which can be paid in three instalments, or in one single payment of € 4.281¹), through the payments methods indicated at www.studenti.unibo.it (please note that other methods are not accepted).
- **Submit or send (by mail, fax or e-mail) to the Student Registry Office / *Segreteria studenti* of Forlì Campus - Padiglione Melandri, Piazzale Solieri 1, 47121 Forlì, n. fax +39 0543 374888, e-mail segforli@unibo.it** (by using in this case the student email account name.surname@studio.unibo.it) **the following documents:**

- paper copy of the completed on-line enrolment form duly signed;

- one passport-format photo; the photocopy (front-back) and exhibition of an identity document or other valid identification document; in alternative, n. 1 passport-format photo authenticated by the relevant Italian Diplomatic Authority upon submission of pre-enrolment application for non-EU candidates residing abroad;

- **if you are non-EU citizens:** the photocopy (front-back) and exhibition of a valid Permit of Stay ('permesso di soggiorno', that is a temporary residence permit) / Residence Card ('carta di soggiorno') or the receipt issued by the Post Office confirming that a permit of stay has been applied for; the completion of the enrolment procedure is conditional on the submission of the permit of stay;

- **if you have obtained an academic qualification from a non Italian University:** the original degree certificate (or an authenticated copy), specifying all the exams passed and the respective results, issued by the University that awarded the qualification, accompanied by an official translation into Italian, legalization and the statement of validity ('dichiarazione di valore') of the degree, provided by the Italian diplomatic/consulate representative having territorial jurisdiction.

Students who live in Italy can refer to the *Tribunale di zona* (the local court of law) for the official translation of their degree into Italian, or to authorized tribunal translators, or to the diplomatic authority in Italy of the foreign country where the degree was awarded. Translations into Italian made abroad by local translator have to be certified by the Italian representative having jurisdiction.

EU candidates can self-certify the possession of the degree certificate, but they cannot self-certify the validity of degrees obtained abroad, which must be certified by the Italian diplomatic authorities of the country where the degree was issued. That document ('dichiarazione di valore') must be enclosed when applying for enrolment.

Instead of the above mentioned official translation, legalization and statement of validity of foreign degrees and the full transcript of all exams passed, candidates can submit to the Student Registry Office the original Diploma Supplement issued by the University where the degree was obtained.

Enrolment documents can also be sent by fax (n. +39 0543 374888) or by email from the student email account name.surname@studio.unibo.it to the Student Registry Office / *Segreteria Studenti* of Forlì Campus, except for passport-format photo and the statement of validity or the Diploma Supplement, if due, that must be submitted in original.

¹ The sums indicated are mere estimates and the e-mail confirming students' admission and the website www.unibo.it will indicate the final amounts.

Only for the first evaluation session, after the deadline of **September 1st 2015** and by, and **no later than October 19th 2015**, admitted candidates can still enrol with the payment of an extra charge (except for non EU candidates residing abroad, in case the clearing procedure is necessary: if the number of non EU students residing abroad is higher than the number of places available, the admitted candidates can only enrol by September 1st 2015).

GENERAL PRECAUTIONS

- Admitted candidates, if Erasmus Mundus Action 2 or Collegio Superiore or Mae scholars beneficiaries, have to contact directly the Student Registry Office of Forlì Campus, in order to complete the enrolment process, as they have to pay a reduced tuition fee or no fee at all.
- Admitted candidates who do not pay the first instalment or the whole amount of the annual tuition fee by their deadline for the payment, **waive their right to enrolment, regardless of the circumstances that caused the delay.**
- Amounts and due dates for the second and third instalments of the annual tuition fee (unless the candidate chooses to pay through one instalment) together with the payments methods will be published on the website of the University of Bologna at: www.unibo.it
- Admitted candidates who are enrolled in another *Laurea* or *Laurea Magistrale* at another Italian University or enrolled in another *Laurea* or *Laurea magistrale* in the University of Bologna may find general instructions about transfer procedure at the following links:

2.2 - Permit of stay

As already specified in paragraph 1.2, non-EU admitted candidates residing abroad, within the deadlines established every year, have to apply to the Italian diplomatic representative in their country for a **pre-enrolment request** and to obtain the entry visa to study in Italy and to enrol in MIREES programme.

Within 8 days from their arrival in Italy, those students have to request the permit of stay for study reasons at the Questura (Police Headquarters) of the town where they decide to live. The application for requesting a permit of stay has to be submitted at the Post Office, by using the relevant forms.

For assistance in preparing the application for residence permit, candidates may contact **Centro Servizi per l'integrazione nel Comprensorio Forlivese**, Piazzetta San Crispino 1, Forlì; tel. 0543.712818; fax 0543.712817; e-mail centrostranieri.fo@comune.forli.fc.it

Students are requested to submit a copy of the receipt of this application and later, once the document has been obtained, a copy of the permit itself to the Student Registry Office / *Segreteria Studenti* of Forlì Campus during all the registration period to MIREES. In fact, if the student career database system is not continuously updated with the record of a valid permit of stay (until its expiry date) or receipt of the renewal application (covering the enrolment for 5 months), it is not possible for students to complete enrolment to the first and second year of course, to print study certificates and to register examinations.

2.4 - Entry Test

All admitted applicants are required to sit the scheduled entry test at the beginning of October 2015, in a place yet to be decided. The entry test is aimed at evaluating the students' knowledge in the single disciplines. The students will be informed of the precise date, place, and other details by the MIREES Secretariat by e-mail.
