

Exercise: Let's think about how you can expand your circle of influence.

Here are some suggestions:

-
- If you are at school, become a class leader in issues that are important for you;
 - Become a community leader;
 - For some of you, politics might be the way to go to expand your influence;
 - Or maybe as an entrepreneur or a s teacher you can make a difference;
 - Do you see people with good ideas around you? Help them!
